Approach: Small breakout group discussions.

Talking points:

- How did TH Ginsburg impact the U.S. military?
- How did TH Ginsburg's contributions impact our society at large?
- What was special about the approach used by The Honorable Ruth Bader Ginsburg?
 - Gender roles disadvantaged men as well as women, as a means to fight gender bias and discrimination
- Finding common interests to make things better
- Is there anything this article made you think of?
 - Personal experience
 - Someone else's story
 - Etc
- What was one thing this article taught you, or made you consider for the first time?
- In your role as a DPE - how might you use this as a resource?
